

Resolution in support of President Calvin O. Butts, III,'s speech at SUNY College at Old Westbury, October 9, 2002

The faculty of Old Westbury supports, underscores and endorses the inspiring and compelling comments made by President Calvin O. Butt, III (October 9, 2002) regarding the need for peaceful solutions to the volatile, escalating call for war on Iraq and beyond.

We urge that faculty, students and staff commit themselves to work, teach and stand for peace in the tradition of Old Westbury.

In this spirit, we urge that all faculty attend and encourage their classes to attend the forthcoming teach-in's during Common Hours on the U.S. military campaign targeting Iraq.

As approved by the Faculty Senate, November 15, 2002
