**Addendum to**  
**University Faculty Senate**  
**Guide for the Evaluation of Undergraduate Academic Programs**

In addition to the criteria outlined in the University Faculty Senate Guide for the Evaluation of Undergraduate Programs, Old Westbury programs should address the following issues in their Five Year Reviews:

- 1) Changes in program curriculum or philosophy in the last 5 years (if any) and their rationale.
- 2) The ratio between day and evening courses and summer offerings.
- 3) Contribution to general education.
- 4) Arrangements with other programs and two year schools.
