

ACADEMIC POLICY COMMITTEE

MEMORANDUM

TO: Naomi Rosenthal
Chair, Faculty Senate

FROM: Anthony Barbera ^{ATB}
Chair, 2000-2001 Academic Policy Committee

DATE: July 23, 2001

RE: Annual Report - 2000-2001

The Academic Policy Committee met five times during the 2000-2001 academic year to:

1. Hear one student policy case. The student's request for a waiver of a particular requirement was granted unanimously.
2. Develop, together with the Office of Academic Affairs, a College-wide Academic Grievance Procedure. The Procedure was presented to the Faculty Senate on April 6, 2001 and, with a minor amendment, was unanimously approved.
3. Develop, together with the Office of Academic Affairs, a College-wide "Graduation with Honors" Policy. The Committee completed a draft policy, however, Academic Affairs was to determine if it was operationally feasible given the limitations of the Banner program. Academic Affairs will report back to the Committee in Fall 2001, and, if necessary, the Committee will revise the draft before presenting it to the Faculty Senate.
