

## **Resolution: Revised Manual for Appointment, Reappointment, Promotion and Tenure**

- Whereas,** The present ARPT Manual dates from 2003, and many College, Department, and ARPT practices and norms have changed in the interim, and
- Whereas,** The Senate in 2018 commissioned a revision of the Manual to reflect current practices, and
- Whereas,** This revision was produced during summer 2018 and was vetted and modified in fall-spring 2018-2019 by a committee of six faculty with long ARPT experience drawn from the Schools of Business (1), Education (1), and Arts and Sciences (4), as well as UUP (1 of the six members), and
- Whereas,** This modified document, with further changes by the current ARPT Committee, is now recommended by ARPT to the Senate for consideration and adoption, and
- Whereas,** The draft Manual as revised reflects current Board of Trustees, UUP, College, and ARPT norms and practices in a clean and usable format, subject to future modification as may later be needed,

**Therefore, be it resolved,**

That the 2019 draft “Manual for Appointment, Reappointment, Promotion, and Tenure” (*Manual*) is accepted by the Faculty Senate, and

**Be it further resolved,**

That the revised *Manual* shall apply to all ARPT cases starting with the first full semester after its adoption, except as further specified, and

**Be it further resolved,**

That candidates already in the process leading to tenure consideration (“on the tenure track”) prior to that semester may choose to follow either the 2003 or the revised *Manual* and may adopt the latter at any time up to and including their consideration for tenure and promotion to Associate Professor.
