

SUNY Old Westbury
Addendum to
University Faculty Senate
Guide for the Evaluation of Undergraduate Academic Programs

In addition to the criteria outlined in the University Faculty Senate Guide for the Evaluation of Undergraduate Programs, Old Westbury programs should address the following issues in their Five Year Reviews:

- 1) Changes in program curriculum or philosophy in the last 5 years (if any) and their rationale.
- 2) The ratio between day and evening courses and summer offerings.
- 3) Contribution to general education.
- 4) Arrangements with other programs and two year schools.
