

Provost Report to Full Faculty Meeting – 11-19-2021

- Convocation
- Student Fall Semester Survey
 - Pandemic has some effects that are ongoing – want to know how students are coping
 - How the instructional modalities and support services are meeting their needs
- Student Course Evaluations
 - Open 11/30-12/15
 - Part B courses (SOB) – 12/12 – 12/15
- Blue
 - Consider revisiting the objectives for course evaluations and identify what type of technology system meets the need
 - Assess cost-effectiveness in continuing the Blue service
- SUNY GE Implementation
 - Will likely receive additional implementation guidance from SUNY in roughly one month (Memorandum to Presidents)
- Graduate Diversity Fellowship Program
 - Barbara Hillery will contact the graduate directors
- LMS change (Moving to Brightspace)
 - Anticipate early next calendar year (Training, documentation and videos)
 - Blackboard will continue through the next calendar year
 - ITS will provide updates as they become available
- EIT Accessibility Update
 - CourseArc (onboarding next week) – in response to a faculty request for some additional support
 - Ally scan – prioritized a list of 106 courses with EIT Accessibility Scores – 50% or below
 - Chandra will reach out to the faculty of these courses to work with to fix these materials to improve accessibility moving into the spring 2022
