Hear from the students!

"I had a great experience in the Faculty-Sophomore Mentor Program. Dr. Toolis was an excellent mentor and really went above and beyond to help me. I definitely achieved my goals and would even say I exceeded them!" - Daniel Quintana, Psychology B.A., Class of 2023

"As a freshman I did not know anyone in the School of Education. My mentor, Dr. Weir, connected me with other people in the department and now I know who to go to for help. Kerry helped me connect my experiences with what I want to do and instilled confidence in me." -Eve Azizi, Childhood Education- English, Class of 2023

"I am so glad I did the Sophomore Shadow Program. I learned so much and was able to connect with people at OW and teachers who gave me great advice. I would not have known about all the things I should be doing now to prepare for my career without this experience! I am excited to continue on my journey!" - Briana Coreas, English B.A., Class of 2023
