Subject: Draft-Mission Statement, as of November 22, 2002

The following is the Draft of the Mission Statement, as of November 22, 2002:

SUNY College at Old Westbury is a small, public college that teaches students to lead in work, in the community, and in life. In an environment that demands academic excellence and offers close interaction between students, faculty and staff, Old Westbury has woven diversity and intercultural understanding into the very fiber of its liberal arts and professional curricular. Our endeavor is to stimulate in students a passion for learning, and a commitment to building a more just world for the future of humankind.
