

Curriculum and Academic Planning Committee

Resolution

Storing a copy of the Program Review and Assessment Reports with Academic Affairs

WHEREAS, SUNY system and the Middle States Commission on Higher Education require that each academic program is periodically reviewed; and

WHEREAS, each academic unit performs this review periodically and assessment regularly; and

WHEREAS, the Faculty does not have a central repository for these reports and assessments; and

WHEREAS, the Faculty has at times need for the use of these reports for our own new reviews and for historical perspective, THEREFORE, be it

RESOLVED that the CAP committee submits a final copy of the Program Review and Assessment Report for each academic program to be kept in a repository at Academic Affairs where the reports would be easily available for faculty access and be it

FURTHER RESOLVED that Academic Affairs shall regularly report to the Senate an inventory of the *Program Review and Assessment Reports* it holds.

Approved by CAP for submission to Senate, February 8, 2019.
