

**Resolution on Adequate Staffing of the Office of Services for Students with Disabilities (OSSD)**

WHEREAS, as a result of staff shortages in the OSSD office, our disabled students are currently not receiving adequate services.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. Someone be immediately employed in the interim position of assistant co-ordinator;
2. The technical support position in the OSSD office be made permanent, rather than temporary; and
3. The OSSD office be provided with a full-time secretarial position paid for by the College.
