# WORKING PEOPLE'S DAY OF ACTION

02.24.18

## SATURDAY, FEBRUARY 24

---

Foley Square  
111 Worth St.,  
New York, NY 10013

**11 A.M.**

ON SATURDAY, FEB. 24 Fight for equitable pay. Fight for affordable health care. Fight for quality schools. Fight for a strong union and a secure future for all of us.

When we join forces and stick together, we are unstoppable. Fifty years ago, Dr. Martin Luther King Jr. joined striking sanitation workers in Memphis, Tenn., as they fought for the freedom to join together in a strong union and for dignity and respect at work. On April 4, 1968, King gave his life in this struggle.

Now, wealthy special interests want to further rig the system. In a Supreme Court case called *Janus v. AFSCME Council 31*, they attempt to divide working people and limit our power in numbers – because unions give workers a powerful voice in speaking up for themselves, their families and their communities.

On Feb. 24, WE will rise up to defend our freedom to come together in strong unions and fight. **Join the Working People's Day of Action.**
